

Pacific Immigration Development Community

2023 Regular Annual Meeting

20-22 June, Port Vila, Vanuatu

Agenda item 8: PIDC Member Country Reports

Recommendations

Members are invited to:

- a) **note** Members country reports; and
 - b) **task** the Secretariat to develop a brief analysis of Members country reports for Board consideration at its next meeting.
-

Purpose

Members are invited to provide a brief report of approximately five minutes highlighting any key achievements that they have been able to advance at the national, regional or international level for information to the wider membership. These may relate to any new policies, legal frameworks, operational procedures, business practices or staffing, resourcing or training matters.

Background

2. Each year during the Regular Annual Meeting PIDC members are required to present country reports to the annual conference. These reports provide a unique perspective on the achievements, issues faced, and needs of immigration departments in the region. Importantly, they also play a role in directing the future work of the PIDC and the secretariat.
