

Pacific Immigration Development Community

2024 Regular Annual Meeting

25-27 June, Honiara, Solomon Islands

Agenda Item 9: Member Country Reports

Recommendations

Members are invited to (a) note and welcome Member country reports; and to (b) task the Secretariat to develop a brief analysis of Member country reports for Board consideration to include into current and future PIDC activities and programme of work.

Facilitator: Chair and Secretariat

Presenters: All Members

Objective

This session intends to:

- provide an opportunity to discuss members respective achievements and challenges; and
- identify areas of commonalities and best practises that can be considered for adoption across the PIDC membership.

Overview

Member's country reports provide a unique perspective on the achievements, issues faced, and needs of immigration departments in the region. Importantly, they also play a role in directing the future work of the PIDC and the secretariat.

Members are invited to provide a brief report of approximately five minutes highlighting any key achievements that they have been able to advance at the national, regional or international level for information to the wider membership. These may relate to any new policies, legal frameworks, operational procedures, business practices or staffing, resourcing or training matters. These reports provide a unique perspective on the achievements, issues faced, and needs of immigration departments in the region. Importantly, they also play a role in directing the future work of the PIDC and the secretariat
