**Agenda item 22(b): Workshop III – Immigrations Role in Labour Mobility**

---

**Recommendations**

The PIDC Regular Annual Meeting is invited to:

1. **note** the issues raised through the Workshop Session;
  2. **note** the roles immigration agencies will be required to implement in labour mobility schemes; and
  3. **welcome** the Secretariat’s efforts to identify specific areas that PIDC can support Members in their labour mobility scheme roles.
- 

**1. Purpose**

The purpose and objectives of this session is to:

- I. discuss the current state of labour mobility schemes in the Pacific;
- II. explore the role immigration agencies in the Pacific play in labour mobility schemes; and
- III. discuss how PIDC can best support Members efforts in implementing labour mobility schemes.

**2. Format**

At the beginning of the workshop session conference participants (including Observers) are to be divided into **4 groups** and are to discuss the role of immigration agencies at the national level on the basis of the workshop objectives (above). Groups are expected to present findings to the general membership. Presenters will join groups to assist group discussions.
