

## Pacific Immigration Development Community

27<sup>th</sup> Regular Annual Meeting

17 – 19 June: Nukualofa, Tonga

---

### Agenda Item 9: PIDC Member Country Reports – Sharing national priorities and regional insights

---

#### Proposed Recommendations

The Regular Annual Meeting is invited to:

1. **note** members country reports; and
  2. **task** the Secretariat to develop a brief analysis of members country reports for Board consideration at its next meeting.
- 

#### Purpose

This session seeks to provide members an opportunity to discuss their respective experiences during the pandemic and priorities as they begin reopening their respective borders to the outside world.

#### Background

2. The Pacific migration landscape continues to evolve and experience significant changes with increasing connectivity to new international destinations linking the Pacific to new regions outside of the Pacific.

3. In response to these operational changes and challenges, members throughout the region at varying levels of vulnerability have collectively operated under an evolving operational migration landscape. This session provides an opportunity for members to discuss their experiences and challenges in their respective operational environment and provides lessons that members can share and learn from in addition to identifying commonalities and regional approaches that PIDC can consider to support members.

#### Update

4. Members will be invited to present their respective country reports sharing their experiences in particular challenges and achievements for their departments.
